USDAN SUMMER CAMP
FOR THE ARTS

ACKNOWLEDGEMENT OF USDAN LAND

Usdan sits on the territory and ancestral homeland of the Massapequa peoples — peoples of “great water land.”

The Massapeguas did not sell nor give away this land;
the land was taken from them.

We offer this acknowledgement to take a step
toward correcting the stories and practices that
erase Indigenous peoples’ history and culture.

We can honor the Massapequa as we aim to live peacefully
and harmoniously with the natural life of these woods.

For more information on the traditional territories
of peoples near you, visit native-land.ca.

EXHIBITION & EXPERIENCES

5:30-6:30 p.m.

The exhibition will reopen after the performance.

The works shown tonight are collaborative pieces created by students from the Art Department.

SUPPORTERS

We believe children are happier, healthier humans when they are creating. We are inspired by the generosity of so many of the donors in this room. You are the reason we are able to award scholarships to hundreds of children in-need every year, and we truly thank you.

Your gifts tonight will help us to grow our scholarship support for aspiring young creators from low-income families from throughout Metro New York and Long Island.

Please consider making a charitable donation tonight by using your pledge card or visiting usdan.org/donate.

Here, we recognize some of the people who have helped make the Usdan summer of 2021 possible.
