

HELP US MAKE A NEW U FOR SUMMER 2021.

We're accepting submissions for new U ideas, and we want your help.

The U's can be anything.

Think of things that are U shaped or things that can be made into a U shape.

All areas of study at Usdan can be used as inspiration:

Art. Theater. Writing. Dance. Chess. Nature & Sustainability. Music. Recreation.

Feel free to sketch, draw, or write your ideas on the following blank page.

Submit your ideas to usdan.com/createu, or email it to media@usdan.org.

The deadline for submissions is Friday, August 21

Here's a look at the U's that have already been created.
